This update includes: ♦ General performance improvements I am a print subscriber who has no trouble accessing the app and did not have trouble accessing the magazine. However, recently I have not been able to view new issues without being asked to buy the issue or start a free trial. I have reinstalled the app but that doesn't resolve the issue. This seems to be the same problem that another reviewer wrote about. Update: The developer helped resolve the issue. I needed to log out then log back in and sync my library in preferences. It works well now. Thanks so much for taking the time to update your review, Jonathon. Please rest assured that from our team we continue working to provide a quality service and if you ever have any troubles enjoying of your magazines, we will be happy to help. Please contact us at mdphelp@ziniopro.com if you ever need assistance. Thanks a lot! I have tried reinstalling the App and syncing but can't view any thumbnails or download any issues that are dated after April of 2019. I have had no difficulty logging into my Time account but it gets me nowhere. When I go to the home page I am asked if I want to buy the latest issue even though I am logged in. I am a long time subscriber of the print edition. Update: Tech support was able to quickly fix the problem for me and get me access to all my missing issues as well as the current issue of Time magazine. Thanks for taking the time to give us a review, Franklin. Please be assured that you will get access to all the issues included in your account. If our support team have not already resolved this for you, please contact them at mdphelp@ziniopro.com quoting ref 961280 so they can help you with this. Thanks a lot. I think you guys really listened to my criticisms a couple of years ago, because I am finding this app to be just about perfect now. In the past, I had logon issues because of differences in the app and accessing via the Web, and also I had to logon after updates. That is no longer a problem, and I'm finding it's very useful to have the whole paper magazine on my iPhone, every single page! Thank you TIME magazine. If you can find my old review, please delete it. Hi Jeffsryop, thanks so much for your comments. We are delighted that you are enjoying reading your magazines anywhere/anytime thanks to our Time mobile app. If we can help you further enjoy our app, please contact us at support@zinio.com quoting ref #997857. To download an issue: Open the News app. On your iPad or Mac, go to the sidebar and tap or click News+. If you don't see the sidebar, tap or click the Sidebar button. On your iPhone, tap News+ at the bottom of the app. Tap My Magazines to find the issue that you want to download. Or tap Catalog, then tap a magazine to see its issues. Tap or click the More button below the cover. Tap or click Download Issue. You can also download past issues from a magazine's channel feed. Search for a magazine, tap or click the More button below the issue that you want to download, then choose Download Issue. After you follow a magazine, new issues of the magazine automatically download to your iPhone, iPad, or Mac\* as long as your device is connected to the internet and to power, and has enough storage space. If you want to turn off automatic downloads on your iPhone or iPad: Open the Settings app. Scroll down and tap News. Tap Download Issues. On your Mac, go to News > Preferences, then deselect "Automatically download issues." \*On your Mac, the News app needs to be open for new issues of magazines to automatically download. Your automatic downloads delete after 30 days or sooner if storage space is limited. To delete a magazine: Open the News app. On your iPad or Mac, go to the sidebar and tap or click News+. If you don't see the sidebar, tap or click the Sidebar button. On your iPhone, tap News+ at the bottom of the app. Go to Downloaded, then tap or click the More button under the issue that you want to remove. Tap or click Remove. Tap or click Remove Download.
